

PENINSULA

GROW YOUR BUSINESS WITH PENINSULA

Having access to your own HR and health & safety team means more time to build your business.

HR AND EMPLOYMENT

We carry out an on-site review of your current workplace documentation & processes and identify specific gaps and solutions. We gain an understanding of your business and tailor your documentation needs, like contracts and employee handbooks.

HEALTH & SAFETY

The Peninsula health & safety team provide risk assessments; on-site premises and compliance reviews; insurance cover; a comprehensive management system; responsibility planner, training courses as well as access to the 24/7 advice service and regular legislation and regulation updates.

24/7 ADVICE

Anytime. Anywhere. Our team of HR and health & safety specialists & employment relations experts are available day or night to answer any questions & offer the advice you need to handle any employee problem that occurs.

ONLINE TOOLS

Part of our service includes an easy to use online HR management tool, BrightHR, our online absence management system which help you keep track on when your staff are working and also stores all your employee records.

MINISTRY OF LABOUR INVESTIGATIONS

Peninsula service includes comprehensive support in the event of any 'Ministry of Labour and Immigration' employment matter brought against your business by a current or former employee, such as an employment standards claim or investigation at no additional cost.

PENINSULA

WHY PENINSULA?

With Peninsula you can expect to spend more time growing your business. We know you didn't start your company because you wanted to become an HR and health & safety specialist. Simply put, Peninsula is the big company backup that's right at your fingertips.
